

Instructor/Assistant Professor of Social Work

Methodist College invites applicants for a new faculty position for our department of Social Work. This is a 9-month administrative faculty position. Rank is considered based on education, qualifications, and experience. This position will have release time to perform duties as a Field Education Director. In directing field education this position will provide orientation and training to students, field instructors and faculty liaisons and coordinate the signature pedagogy of field practicum experiences for all undergraduate social work students. In addition to directing field practicums, this position will also be responsible for teaching in the undergraduate social work program.

Required:

- MSW from a CSWE accredited institution
- 2 years post--MSW practice experience
- Licensure / licensure-eligible to practice social work in Illinois

Preferred:

- Ed.D., Ph.D. or DSW strongly preferred, or completion expected within 18 months of hire;
- Teaching experience in higher education
- Leadership in field education program/field instruction experience/administrative experience

Rank: Commensurate with education, qualifications, and experience

Reports to:

Department Chair of Social Work
