

Fall 2018 Payment Guidelines

Below are the general expectations for payment of your Fall 2018 Tuition & Fees:

Billing fees will be assessed to students based on account status. To avoid ALL Billing Fees (Deferment or Late Fees), tuition must be covered IN FULL by the first day of classes which is August 13, 2018.

Your tuition and fee charges can be covered by any combination of:

- Personal payment
 - Financial Aid (Loans/Grants)
 - Scholarship
 - Workforce Development Career Voucher (such as Career Link, VA Benefits, etc.)
- ...which is posted to or "Pending" on your CAMS account by the first day of classes.

Any accounts NOT paid in full by August 13, 2018 (meaning, those accounts with an "Overall Balance" of greater than \$1 after the first day of classes) will be automatically assessed a \$30 deferment fee and will be assumed to be participating in the following payment plan:

- 33% of the "Overall Balance *" must be paid by Monday, August 13, 2018
- 33% of the "Overall Balance *" must be paid by Saturday, September 15, 2018
- The remainder of must be paid by October 15, 2018.

(* The "Overall Balance" is your total charges LESS any pending aid)

Overdue accounts:

Any accounts with an open balance after October 15, 2018 will be charged a \$50 late fee and a Billing Hold will be placed on the account.

ADDITIONALLY, PLEASE NOTE: Any student with an unpaid Fall 2018 balance will not be unable to register for Spring 2019 classes when registration opens.

It is your responsibility to pay your bill. Please keep in contact with the Bursar's Office if you begin to experience unexpected financial difficulties or extenuating circumstances that would prevent you from paying in a timely manner. Please contact Financial Aid if a Financial Aid award you are expecting to receive has not been added to your account.

Please see this helpful link for more information on how to review your CAMS account:
