

Summer 2016 Payment Agreement

All College charges and credits for each semester are consolidated into one account for each student. It is the responsibility of the student to check his/her email and CAMS portal to ensure timely payments of their tuition. Available payment plans for Summer 2016 are outlined below.

Please **select all** that apply:

Plan I Payment of *all* tuition and fees are due and payable on or before May 1, 2016, for *Second-Degree student* and on or before May 1, 2016, for *all other students*.

Plan II All tuition and fees are due and payable in two installments:

- One-half (50%) of the total is due by May 1, 2016 for *Second-Degree Students*. For *All Other Students*, the payment is due by May 1, 2016.
- The remaining one-half (50%) of the total is due by June 1, 2016 for *Second-Degree Students*. *All Other Students*, the payment is due by June 1, 2016.

(A \$30 non-refundable deferment fee will be assessed to all accounts not paid in full by the initial tuition due date, in addition to a \$50 late fee for each payment not paid by the due dates outlined above.)

I plan to use financial aid to pay all or a portion my bill

I have an outside organization funding my education (Please communicate whether or not the organization needs an invoice sent to them.)

I agree to make all payments outlined in the payment plan that I have chosen until the total balance owed to the College is paid in full. I understand that failure to pay as outlined above will result in the following:

- I will be unable to register for the next semester,
- Additional fees will be charged to my account,
- My account may be sent to a collection agency.
