| SUBJECT: Pass-Fail Grading Policy | | | |

I. POLICY:

Some undergraduate courses offered by Methodist College may have mandatory pass-fail grading. All other courses are subject to the regular grading scale and policies.

II. GENERAL INFORMATION:

- A final grade of PASS ("P") will be awarded if course completion requirements are equivalent to a letter grade of an "A," "B," or a "C as specified on the course syllabus.
- A final grade of FAIL ("F") will be awarded if course completion requirements are equivalent to a letter grade of "D" or an "F" as specified on the course syllabus.

Credits earned (Passed) in a course taken on a Pass-Fail basis are not used in calculating the grade point average; however, such credits do count toward meeting the units required for graduation. A grade of "F" (Failed) will be used in calculating the GPA (whether equivalent to a D or an F, the grade point average will be calculated as an F with 0 quality points earned per credit hour). These units are included in the attempted credit units for GPA calculation. See Grading Policies.

A maximum of six credit hours of pass-fail graded courses may be applied toward degree requirements and must be "PASSED" to count as degree credit.
