SUBJECT: Student Responsibility Statement			

I. POLICY:

Methodist College expects students to take responsibility for their education, and as such has a responsibility statement that students should sign upon enrollment with the college.

II. GENERAL INFORMATION:

Methodist College students are responsible for their education, which includes knowing the requirements for their specific degree program, financial aid, and payment of all tuition and fees as well as purchase of necessary supplies.

Students will be required to sign a statement acknowledging this expectation, a pop-up notice will appear when students log in to CAMS, and said statement will appear in print in the student handbook and college catalog.

The Student Responsibility Statement:

As a Methodist College student, I understand that it is my responsibility to engage in professional and ethical behavior and to learn and understand the requirements necessary to complete my bachelor's degree and/or certificate program, including—but not limited to— course requirements, prerequisites courses, grading methods, academic and student policies, administrative procedures, payment and payment arrangements, financial aid policies, and the Methodist College catalog and Student Handbook requirements. Methodist College faculty and staff will provide appropriate assistance to help assure that I am able to complete my chosen degree program efficiently and in a timely manner. However, it is ultimately my responsibility to earn the degree.
