

Snapshot

Methodist College is a four-year college located in Peoria, Illinois, focused on healthcare and human services. Methodist College offers baccalaureate and master's level degree programs that help prepare students for successful careers. Methodist College's academic programs combine classroom-based studies, research and dynamic real-world clinical experience. General education courses incorporate academic major concepts for students to transition seamlessly into their desired program. Students benefit from smaller class sizes, greater individualized attention with faculty members, and the support of other like-minded, goal-oriented students.
