

Bachelor of Science in Nursing – RN-BSN

Methodist College offers a 100% online program* for practicing nurses who have passed the National Council Licensure Examination (NCLEX) to obtain their Bachelor of Science in Nursing degree. By obtaining your BSN, you'll be able to advance your career and education, increase your marketability, and meet employer demands. Many hospitals now require that nurses with an associate degree attain a bachelor's degree in nursing within five years of employment.

The Bachelor of Science in Nursing – RN-BSN program offers a robust curriculum, with the added advantage of allowing students the flexibility to work around busy schedules. Students can also transfer up to 90 of the total 120 credits required to complete the BSN.

* Two 30-hour practicums are required.
