Methodist College Final Exam Schedule Fall 2022

Final exams are scheduled to begin November 28, 2022. Please see your instructor for specific instructions & information about final exam requirements & expectations.

This schedule reflects the exam schedule for in-seat & blended full-term courses. Second eight-week & online courses are not included in this schedule. Instructors of blended courses might not require attendance during the time scheduled below.

When students have three or more final examinations on the same day, they are entitled to arrange an alternative examination time for the last exam or exams scheduled on that day. When students have two final examinations scheduled to meet at the same time, they are entitled to arrange an alternative examination time for the course that meets later in the week during the term or, if the two courses meet on the same day during the term, the course that meets later in the day. Students must make arrangements with the instructor of the affected course(s) by no later than the last day of classes in a given term.

Please note change in time for the N3313 LecPL final.
