Methodist College offers a 100% online program for practicing nurses who have passed the NCLEX to obtain their Bachelor of Science in Nursing degree. By obtaining your BSN, you'll be able to advance your career and education, increase your marketability, and meet employer demands. Many hospitals now require nursing applicants to attain a bachelor's degree within five years of hire; more now require a bachelor's degree before being hired.

The Bachelor of Science in Nursing - RN-BSN program offers a robust curriculum, with the added advantage of allowing students the flexibility to work around busy schedules. Students can also transfer up to 90 of the total 120 credits required to complete the BSN.

# BACHELOR OF SCIENCE IN NURSING

## RN-BSN

Advantages of the RN-BSN program:

- All work is done online, with no required face-to-face sessions.
- Arrange your practicums to match your schedule and achieve your goals.
- You can complete this program anywhere, even outside of Peoria.
- You can transfer up to 90 of the total 120 required credits for the Bachelor of Science in Nursing degree.
- Financial assistance is available for those who qualify, and Methodist College works with employers who offer tuition reimbursement.

Full-time students can complete the program in three semesters, but part-time students have up to five years to complete the program.

For additional program information, visit: [www.MethodistCol.edu/rn-bsn](http://www.MethodistCol.edu/rn-bsn)
